JOB FAIR TO FOCUS ON FILLING JOBS FOR DELL COMPUTERS *Workforce Oklahoma and Partners Hold Event to Match Oklahomans with Jobs*

OKLAHOMA CITY – Dell Computers is coming to Oklahoma City, and you can be a part of it! To find out how, join us on Saturday, August 28, 2004, for the Dell Computers job fair hosted by Workforce Oklahoma and Francis Tuttle Technology Center. The job fair will run from 8:30 a.m. to 4 p.m. in the Construction Trades Building located on the campus of Francis Tuttle at 12777 North Rockwell in northwest Oklahoma City. Anyone wanting to explore the exciting job opportunities that Dell has to offer is welcome to attend this no cost event.

Attendees should bring two (2) copies of their current resume and one (1) valid form of identification. Because all attendees are required to complete an application and possibly a skills assessment (depending on the job), they should plan to be at the job fair for up to three (3) hours. All Dell call center positions are being filled through this event. A variety of jobs are available, including sales, human resources, training and management. For more information on the jobs available, please visit the Workforce Oklahoma website at www.workforceok.org/delljobs/.

This event is a joint effort between Workforce Oklahoma and Francis Tuttle Technology Center. For more information on the event, please contact Sandy Payne at (405) 470-3200.
