## WORKFORCE OKLAHOMA'S OCTOBER JOB FAIR IS A CAN'T-MISS OPPORTUNITY FOR OKC BUSINESSES

OKLAHOMA CITY, OK – **Workforce Oklahoma** and **Francis Tuttle Technology Center** are excited to announce that the 15<sup>th</sup> semi-annual Workforce Oklahoma Job Fair will be held October 22, 2004, on the Francis Tuttle campus at 12777 North Rockwell in northwest Oklahoma City. This semi-annual event, which runs from 10 am to 4 pm, is a can't-miss opportunity for participating businesses to recruit employees and promote their services and products.

These job fairs have consistently attracted high numbers of applicants in the past. In fact, approximately 3,500 people attended the last job fair in May that was held in Midwest City. With a new partner and a new location, this job fair is expected to receive an even larger response. As in the past, costs for businesses have been kept low, with a nominal booth registration fee of only \$150.

Any businesses interested in participating should contact Larry Musslewhite, Sandy Payne or Al Serradell with Workforce Oklahoma at (405) 470-3200 before Friday, October 1, 2004.

We look forward to seeing as many local businesses as possible!
