FOR IMMEDIATE RELEASE

FORMER AURRA INDUSTRIES WORKERS DECLARED ELIGIBLE FOR TRADE BENEFITS BY U.S. DEPARTMENT OF LABOR

Special Status Granted to Laid-off Employees Under Trade Act of 1974

OKLAHOMA CITY, OK (June 22, 2007) – Former employees of Aurra Industries in Edmond, Okla., including on-site leased workers, have been ruled eligible for the Trade Readjustment Assistance (TRA) program by the U.S. Department of Labor (USDOL). TRA provides assistance to those who lose jobs or significant work hours because of increased imports or a shift in production out of the country. TRA-certified workers can access services such as income support, relocation and job search allowances, and health coverage tax credits. Those that need retraining for suitable employment may receive occupational training. The goal is to reconnect laid-off workers with suitable employment quickly.

In a recent ruling, the USDOL found that former workers at Aurra Industries meet all requirements to receive TRA according to the Trade Act of 1974 (19 USC 2273). There are three criteria to qualify for TRA. First, workers must be laid off or threatened with layoff. Next, employer sales or production must decrease. Finally, increased imports of products like or directly competitive with the firm's products must contribute to layoffs or the threat of layoffs. Once certified, TRA recipients must enroll in training, although the state can waive this requirement in certain cases.

Former Aurra Industries employees are also eligible for Alternative Trade Adjustment Assistance (ATAA), a program that provides workers 50 years and older, for whom retraining may not be suitable, with the option of accepting re-employment at a lower wage in return for a wage subsidy.

The USDOL report concludes "all workers of Aurra Industries, a wholly owned subsidiary of Unit Parts Co., a Remy Inc. Co., Edmond, Okla., including on-site leased workers of Chase Staffing, Express Personnel, Sunbelt Staffing, Resource Manufacturing, Adecco, and Oasis Staffing at Aurra Industries, who became totally or partially separated from employment on or after March 14, 2006, through two years from the date of certification, are eligible to apply for adjustment assistance...and are also eligible to apply for alternative trade adjustment assistance..." The first day of eligibility (date of certification) is April 10, 2007. Separated employees who want to apply for TRA should contact their nearest Workforce Oklahoma Center at 1-888-980-WORK (9675).
